Universidad Andrés Bello

4★ RATING
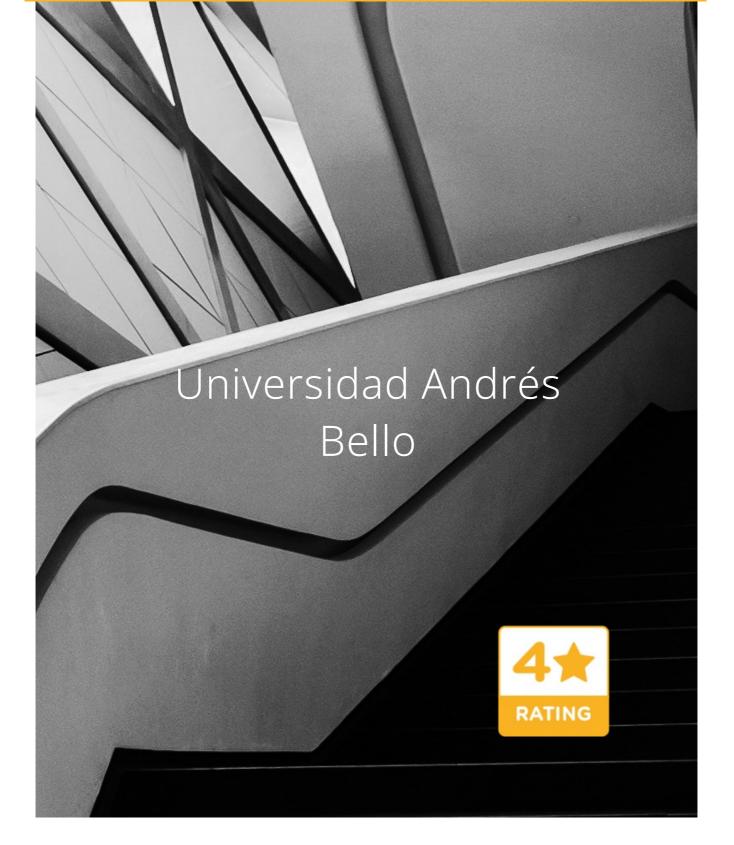

INTRODUCTION

Thank you for taking part in QS Stars. This is an opt-in rating system for higher education institutions, evaluating them against a range of performance indicators across several categories. The rating system is different from the QS World University Rankings, although the two can work together. QS Stars allows institutions to highlight their strengths, no matter how they perform in the rankings. Unlike rankings, QS Star ratings are entirely based upon an institution's performance, and not how they compare to their peers.

With QS Stars, an institution receives between 0 and 5+ Stars overall, as well as a rating of between 0 and 5 Stars in at least eight categories. Institutions can purchase a licence to advertise their results, receiving badges with the overall results as well as the results for each category. Results are typically valid for three years.

The objective of this report is to provide a detailed summary of your institution's results, including both the final data and points awarded for each indicator. You may use this report to highlight the institution's strengths, as well as to identify any weaknesses and areas for improvement.

FURTHER ASSISTANCE

Audit start date 02/12/2020

Delivery date 28/05/2021

Audit validity date 28/05/2021 - 31/05/2024

During this time you may purchase a licence to advertise the QS Stars results; after this date passes the institution's results will expire, and they should be re-audited.
